

***PISCATORIAL PRESS* NEWSLETTER RESOLUTION 2005
OREGON CHAPTER AMERICAN FISHERIES SOCIETY**

**Approved by the Oregon Chapter AFS membership
2005 Annual Meeting, Corvallis, Oregon
February 17, 2005**

Resolution to send electronic (vs. paper) copies of the Oregon Chapter American Fisheries Society (ORAFS) quarterly newsletter *Piscatorial Press* to members.

WHEREAS printing and bulk mailing of the *Piscatorial Press* costs the ORAFS approximately \$2,600 per year; and

WHEREAS the ORAFS continues to spend more money annually than it receives; and

WHEREAS paper copies of the *Piscatorial Press* are unnecessary uses of natural resources for persons with website access; and

WHEREAS the ORAFS Administrative Assistant already sends electronic copies of the *Piscatorial Press* to those requesting it; and

WHEREAS many AFS subunits and other organizations send their newsletters electronically:

We therefore resolve that, beginning with the spring 2005 issue, the *Piscatorial Press* shall be electronically mailed and made available on the ORAFS website, unless members explicitly request otherwise.
